

Risk Assessment in Aeronautical Decision Making

Learn to evaluate your risk for each flight using a Risk Assessment Scorecard. This presentation is an modified version of an Aeronautical Decision Making course provided by the Cirrus Owners and Pilots Association (COPA). The Risk Assessment Checklist was also developed by COPA. Rhon Williams is an FAAST Representative and holds Com-ASMEI, RH, IA; Priv-G; and CFI--AI. He has been flying for over 40 years and is building an Early Bird Jenny from plans.

Directions: AFI Main Hangar, next to self-serve fuel island west of the terminal building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
